## Synergy meeting

The next Synergy meeting in Gauteng is planned for 24 July 2015, 13h00 - 16h00 and will take place at the Charlotte Maxeke Johannesburg Academic Hospital. These workshops are an Exco initiative and they are organised for the Industry.

## ISCAP Procedure Manual

The ISCAP Procedure Manual is planned for 2015. This will take the form of an electronic manual at first and hard copies of the procedures will also be considered. These will all detail Generic procedures and will not be doctor specific.
